Farm Share Pickup

Farm shares are to be picked up once a week on a weekday predetermined by TSF. Failure to pick up a farm share without prior notification or special arrangement will result in the loss of the farm share for that week.

Special Pickup Arrangements in Advance

While TSF does not encourage it, TSF can accommodate special pickup arrangements by request only (including, but not limited to: different day, date, or time). Special arrangements are not guaranteed and are subject to individual review.

Children

A parent or guardian must accompany children on farm property at all times.

Pets

No pets are allowed on TSF fields. Pets accompanying their owners to the farm stand or share pickup point

must be leashed at all times.

Pick-Your-Own at TSF

In accordance with MGL Chapter 128 Section 2e, "No owner, operator, or employee of a farm who allows any person to enter said farm for the purpose of agricultural harvesting, including the cutting of Christmas trees under a so-called "pick-your-own" agreement shall be liable for injuries or death to persons, or damage to property, resulting from the conduct of such operation in the absence of willful, wanton, or reckless conduct on the part of said owner, operator, or employee."

Program Variations

Local weather conditions always play a role in each week's farm share. All forecasted weekly shares are subject to change without notice. TSF reserves the right to amend weekly farm shares as necessary.
